‘Extending Your Water Colour Ability’, Wilton Community Centre, Wilton, Salisbury, SP2 0DL

After the successful watercolour course earlier this year I have added another to the 2017 program. It is designed for improvers and the more experienced and will aim to stretch each student at their own level.

All four workshops £37.00 per day

Two or more workshops £40.00 per day

One workshop £42.00 per day

Although the workshops are built in 4 week and 2 week modules each day is a unit in its own right and can be enjoyed individually. However the modules are designed to provide the best results by following the course. Payment or part payment will be required with booking. In the case of illness then a credit will be issued to be used at a future date.

You will be contacted three weeks before each course with a materials list and any resources that you might need. In the main I will supply most resources over and above your normal painting requirements.

Unlimited tea, coffee, squash and biscuits are provided but you will need to bring a packed lunch.
